MULTI-LOCATION TESTIMONIALS

"The Ultimate Boot Camp was a great experience; I learned a lot! They were really well-prepared and helped me understand all the different pieces that we need to put in place to make our dealership group successful. Now we have an actionable plan to take home and work through with our team, so I can't thank them enough for all the help these last couple days. We look forward to being successful in future, so thank you Ken and Will!"

Bryce Clary – Owner of Bud Clary Auto Group

"Partnering with One Nexus training program, along with some other industry relevant sales and marketing tools, allows us to generate business from all over the country!... I have had to pull some retail help over to commercial and fleet to tend to all of the leads!"

Bradley Bevelhimer – Director of Fleet Consulting of Huffines Auto Group

"I just wanted to say THANK YOU! I mentioned it already, but I really appreciate our partnership and how you are helping us to be better."

Dan Bryan – GM of Ricart to Business

"Thank you for the great guidelines for Jeff. I was really impressed with Jeff's training at Nexus; Casilyn did an excellent job with the one-on-one sessions. The flexibility to attend the training when I had time was great. We've already seen Jeff bringing in new customer leads and fleet lists from new customers. Thanks for the follow-up, and we'll make sure to keep reinforcing the process with Jeff."
